

# WE'RE HIRING

JOIN ONE OF THE UK'S FASTEST GROWING COMPANIES

## Ecologist – Rench HQ with UK travel required

The QTS Group is one of the UK's leading rail contractors specialising in vegetation management, drainage services, fencing, training, civil engineering, earthworks, geotechnical services, industrial rope access and specialist plant fleet hire. We are seeking an experience Ecologist to join our team based at our Drumclog HQ.

### Skills required:

- Good botanical skills and experience of phase 1 habitat surveys
- Good bird identification and experience of breeding bird surveys
- Experienced bat surveyor – particularly with tree roosts (preferably a licensed bat worker)
- Experienced great crested newt surveyor (preferably holds a disturbance licence)
- Experienced badger surveyor preferably holds a badger disturbance licence or with experience of closing setts under licence)
- Excellent technical report writing skills

- Excellent presenting skills with experience of delivering tool-box-talks and supervising contractors
- A broad understanding of UK Wildlife Legislation and experience of the protected species licensing system
- Team player with flexible approach to working with a strong awareness of health and safety
- Flexibility to work away from home and at weekends as required

### Qualifications required:

- BSc or MSc in relevant biological or environmental science discipline
- Member of Chartered Institute of Ecology and Environmental Manager - CIEEM (preferably at Associate Level or higher)

QTS is committed to creating a diverse environment and is proud to be an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, colour, religion, gender, gender identity or expression, sexual orientation, national origin, genetics, disability or age.
